Let me ask yah
Do you think your feet
Don't follow?
Talking with your mouth
But your head is hollow
Maybe when the circus comes
I'll buy you bubble gum
Show you where to stand
Hold your hand
'Till your mama comes(x2)

No biters(x2)
That's right
No biters(x2)
What?

Let me ask yah
Do you think your feet
Don't follow?
Talking with your mouth
But your head is hollow
Maybe when the circus comes
I'll buy you bubble gum
Show you where to stand
Hold your hand
'Till your mama comes

Want no biters
Don't give me no biters
Yeah want no biters

No biters
Ba ba ba ba
Gimme no biters
You don't like you bite it
