Tell me how fall you wan this to go  
I'm touching the places no one needs to know  
I could feel yourheart beating fast  
how could me make it last

Baby just show me give me all your everything  
just let it go when we make love.  
Filling our fantasy i cant believe this is happing  
All my Love we could take this fast or slow let me touch  
your soul.  
Dont look back love is gunna take control.  
Tonight Im giving you all my love.  
All my love it juse you and me can we take it there,  
Baby when we touch love is gunna take control giving  
you all my love(all my love)

I could feel you body shivering love so tasty  
Baby when im holding you feels so good  
i cant resist thise sexy lips.  
Baby when Im kissing you,give it to me slowly  
aw give me your all give me your everything  
Baby just let it go when we make love sharing our  
fantasy.  
I cant believe this is happing.

Baby just show me give me all your everything  
just let it go when we make love.  
Filling our fantasy i cant believe this is happing  
All my Love we could take this fast or slow let me touch  
your soul.  
Dont look back love is gunna take control.  
Tonight Im giving you all my love.  
All my love it juse you and me can we take it there,  
Baby when we touch love is gunna take control giving  
you all my love(all my love)

Baby dont stop wont you stay right there  
Baby dont stop thats it stay right there fast or slow.  
Take me there.  
I love they way your holding me and they way that your  
kissing me.

Baby hold on im about to give it all to you.

Baby just show me give me all your everything  
just let it go when we make love.  
Filling our fantasy i cant believe this is happing  
All my Love we could take this fast or slow let me touch  
your soul.  
Dont look back love is gunna take control.  
Tonight Im giving you all my love.  
All my love it juse you and me can we take it there,  
Baby when we touch love is gunna take control giving  
you all my love(all my love)

Baby just show me give me all your everything  
just let it go when we make love.  
Filling our fantasy i cant believe this is happing  
All my Love we could take this fast or slow let me touch  
your soul.  
Dont look back love is gunna take control.  
Tonight Im giving you all my love.  
All my love it juse you and me can we take it there,  
Baby when we touch love is gunna take control giving  
you all my love(all my love)

Baby just show me give me all your everything  
just let it go when we make love.  
Filling our fantasy i cant believe this is happing  
All my Love we could take this fast or slow let me touch  
your soul.  
Dont look back love is gunna take control.  
Tonight Im giving you all my love.  
All my love it juse you and me can we take it there,  
Baby when we touch love is gunna take control giving  
you all my love(all my love)
