I've been messed up, tossed around  
I've been flying high just to get knocked down  
Always kept my feet on solid ground  
I'm a sinner, I'm a saint  
I've been creeping down the fast lane  
I'll rush this life at my own pace  
I'll race you down the highway  
So beat me if you can  
Life's the game that I play  
That's the way I am  
That's the way life goes  
This is who I wanna be  
And that's the way it's gonna be  
That's the way I am  
Baby this I know  
In all of this insanity  
I'm everything I wanna be  
That's the way I am  
Yeah that's the way I am  
I'm known to be wrong, when I'm right  
I'm colourful in black and white  
I'm a beam of sunshine in the night  
I'm a snob, I'm a sleeze  
I can make a fire freeze  
I come and go just as I please  
So baby this is my way  
To make you understand  
Life's the game that I play  
That's the way I am  
That's the way life goes  
This is who I wanna be  
And that's the way it's gonna be  
That's the way I am  
Baby this I know  
In all of this insanity  
I'm everything I wanna be  
That's the way I am  
(The way I Am)  
Yeah that's the way I am  
(The way I Am)  
Alright  
I've been flying high just to get knocked down

Always kept my feet on solid ground  
I'm a sinner, I'm a saint  
I've been creeping down the fast lane  
I'll rush this life at my own pace  
That's the way I am  
That's the way life goes  
This is who I wanna be  
And that's the way it's gonna be  
That's the way I am  
Baby this I know  
In all of this insanity  
I'm everything I wanna be  
That's the way I am  
(The way I Am)  
Yeah that's the way I am  
(The way I Am)  
That's the way I am  
(The way I Am)  
Yeah that's the way I am  
(The way I Am)  
I've been messed up, tossed around  
Yeah i've been knocked down  
But that's just the way life is, you know  
That's the way i am
