

## Mission Of Burma "Birthday"

Ho!

Out of the troubled waters  
Out of the swirling gloom  
We may find within the world  
In that tangled room

I wanted everything  
You want everything  
We need everything  
and we'll get everything

You said it is your birthday  
Let's make it last and last  
We need a calm place to call home  
Call home

I wanted everything  
You want everything  
We need everything  
and we'll get everything.

Pulled, two worlds collide  
they stick together

If two worlds collide  
they stick together

PULLED, two worlds collide  
they stick together

When two worlds collide  
they stick together

The tensioned wheel collapses  
The tensioned wheel collapses  
The tensioned wheel collapses

I'm comin' home  
I'm comin' home  
I've found a home  
I've found a home

She's comin' home  
She's comin' home  
This is that home  
This is that home
