I lost all the love I had for you  
the day that you cheated on me boo  
and there can never be no me and you  
cause lately you been asking foney  
I'm sorry you can't do me like those  
other busters from around the way  
so if you wanna play then lets play  
believe me girl two can play that game

What makes you think that you could run a game on me  
when I was true to you girl from the begin  
I was in love with you but you never really loved me at  
all  
so I gotta let you go I put my heart out there then you  
closed the door  
shut me out like a stepchild in the cold  
ooh but it's ok I found someone else to love me anyway  
so I gotta let know

I lost all the love I had for you  
the day that you cheated on me boo  
and there can never be no me and you  
cause lately you been asking foney  
I'm sorry you can't do me like those  
other busters from around the way  
so if you wanna play then lets play  
believe me girl two can play that game

I'm not trying to hold you if you wanna leave  
cause trust me I've got alots of girl on my team  
and I wanted to be with you  
at first no one else mattered to me  
until you try to play me  
baby tell me why o why would you throw it all away  
don't you know that every dog has it's day  
but now that I'm that so over you  
there could never be you and me  
I lost all the love I had for you  
the day that you cheated on me boo  
and there can never be no me and you  
cause lately you been asking foney  
I'm sorry you can't do me like those

other busters from around the way  
so if you wanna play then lets play  
believe me girl two can play that game

See I don't wanna hear your tried excuses  
I ain't trying check for you  
I wanna stay problem free  
look at all the pain you caused me  
I don't love you know more  
I don't need you in my life  
so i'm saying bye bye bye

I'm saying bye bye baby  
bye saying bye bye baby  
I don't need you no more  
saying bye bye baby  
bye bye  
saying bye bye baby  
I got someone else to love

I lost all the love I had for you  
the day that you cheated on me boo  
and there can never be no me and you  
cause lately you been asking foney  
I'm sorry you can't do me like those  
other busters from around the way  
so if you wanna play then lets play  
believe me girl two can play that game

I lost all the love I had for you  
the day that you cheated on me boo  
and there can never be no me and you  
cause lately you been asking foney  
I'm sorry you can't do me like those  
other busters from around the way  
so if you wanna play then lets play  
believe me girl two can play that game
