**(feat. Lil' Romeo)**

Now you've been watchin' me and I've been watchin'  
you  
So I decided to just come and talk to you  
Ain't tryin' to run no game, just wanna know your name  
And by the smile that's on your face I see you feel  
the same

So can I talk to you and maybe after school  
I could walk you home if that's cool with you  
And then later on I'll call you on the phone  
And then I'll make you mine by singin' you this little  
song

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Oh, oh, look  
On the weekend, me and you and some friends  
We could go for a ride in the back of the Benz  
In the park take pictures, me and you in the Hawk  
Play games, hide-n-seek till it get dark  
I like when you playin' when you callin' my name  
That's how I feel, hope you feel the same  
Stuffed dolls, merry-go-round  
So me and you sit splash, girl, how that sound, uh

I can tell you're feelin' me, and girl, it's plain to  
see  
That you and me we got a little chemistry  
That's why I'm dyin' to do everything you wanna do  
Anything that you want I can give, give it to you

So what's it gonna be, is it gonna be you and me  
You gotta let me know, don't keep me hangin' on  
Tell me what I gotta do to get it through to you  
I want you to be my baby, so

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school

On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

So here we are face to face  
I gave face to ?? away  
Be patient, girl  
Keep it real, I really wanna make you mine  
So tell me, so what you gonna do

So here we are face to face  
I gave face to ?? away  
Be patient, girl, now it's on you  
Keep it real, I really wanna make you mine  
So tell me, so what you gonna do

Don't cry, don't cry, don't cry, don't cry  
Basketball is my favorite sport  
Six man's shoes when I'm on the court  
Baby Hummer parked right outside  
Top down is how we ride  
Frank wheeler ??  
VIP, no standin' in line  
P. Miller from head to toe  
You my Boo, girl, I need to know  
Come on

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time

Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry  
Gonna bet that I could show you how to have a good  
time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Be cool, be cool, be cool  
It'll be cool
