Solider  
Corey  
(Corey)

I rode my bike passed your house at least a thousand  
times  
No matter what I do I just cant get you off my mind  
All the guys in the neighborhood they wanna know your  
name  
Well, its too bad that they cant talk to you cause  
theyre too lame

I wish you and me  
Baby, I could walk you home from school  
Or hang out, baby, thatll be cool  
I wish you and me  
I was hopin?maybe I can hold your hand  
I just wanna be your man, baby, oh, ho

If you let me be (Let me be)  
If you let me be  
Let me be your soldier (Let me be)  
Girl, I thought I told you (I wont break your heart)  
I wont break your heart (Yeah, yeah)

If you let me be (Let me be)  
If you let me be  
Let me be your soldier (Your soldier)  
I will go to war for you  
And protect your heart (Ooh...)

If you let me be (Let me be)  
If you let me be  
Let me be your soldier (Ooh...ooh...oh...)  
Girl, I thought I told you  
I wont break your heart (Yeah)

If you let me be (Let me be)  
If you let me be (Your soldier)  
Let me be your soldier (Yeah)  
I will go to war for you

And protect your heart

Ooh, ooh, Im really feelin?you  
And I pray to God that you really are feelin?me too  
Im tired of wishin?bout me and you  
Hopin?there will be a day that we can be together  
soon

I wish youd let me be  
Oh, I really wanna be down with you, baby  
I wish youd let me be  
I was hopin?I could be the one to hold your hand  
I just wanna be your man, babe, ooh-wee

If you let me be  
If you let me be  
Let me be your soldier (Soldier)  
Girl, I thought I told you  
I wont break your heart (Ooh...ooh...)

If you let me be (Ooh)  
If you let me be (Let me be)  
Just let me be your soldier (Yeah)  
I will go to war for you  
And protect your heart

If you let me be (Let me)  
If you let me be (Yeah...)  
Let me be your soldier (Ooh...ooh...)  
Girl, I thought I told you  
I wont break your heart (Ooh...ooh...ooh...)

If you let me be (Let me)

Just let me be your soldier (Let me be your soldier)  
I will go to war for you  
And protect your heart

Girl, let me protect you (To protect you)  
Holler at me if you feel me (If you feelin?me, hey)

If you let me be (Let me be)  
If you let me be (Wont you let me be)  
Just let me be your soldier  
I will go to war for you  
And protect your heart (Wont you let me be)
