I wear my sunglasses at night  
So I can so I can  
Watch you live and breathe your storylines

(And) I wear my sunglasses at night  
So I can so I can  
Keep track of the visions in my eyes

While she's deceiving me  
It cuts my security (has)  
She got control of me  
I turn to her and say

Don't switch the blade on the guy in shades, oh no  
Don't masquerade with the guy in shades, oh no  
I can't believe it  
You got it made with the guy in shades, oh no

(And) I wear my sunglasses at night  
So I can so I can  
Forget my name while you collect your claim

And I wear my sunglasses at night  
So I can so I can  
See the light that's right before my eyes

While she's deceiving me  
She cuts my security (has)  
She got control of me  
I turn to her and say

Don't switch the blade on the guy in shades, oh no  
Don't masquerade with the guy in shades, oh no  
I can't believe it!  
Don't be afraid of the guy in shades, oh no  
It can't escape you  
'Cause you got it made with the guy in shades, oh no

I said I wear my sunglasses  
I wear my sunglasses at night  
Wear my sunglasses at night
