Tonight could be just the beginning  
I should be smiling inside  
So I'll write a song that brings out the southern  
summers  
Just to share in a saving grace

If I could find the words to say  
This won't hurt, I promise you that  
If you feel me leave, I'm still here  
I see things all too clear  
When I'm with you  
Picking up where we left off  
The last time we sailed across  
The sea was calm  
Setting sail and holding on  
To the best we can carry  
I count this one as a victory
