It was all the summer, and all the fall
Just trying to find my little all and all
But now she's gone, I don't worry
I'm sittin' on top of the world

It was in the spring, one summer day
Just when she left me, she's gone to stay
But now she's gone, I don't worry
I'm sittin' on top of the world

You may come¹ here running, holding up your hands
I can't get me a woman, couldn't even² get a man
But now she's gone, I don't worry
I'm sittin' on top of the world

There have been days, I didn't know your name
Why should I worry and pray³ in vain
But now she's gone, I don't worry
I'm sittin' on top of the world

Going to the station down in the yard
Gone get me a freight train, waiting done got hard
But now she's gone, I don't worry
I'm sittin' on top of the world

The lonesome days, they have gone by
Why should beg me and say goodbye
But now she's gone, I don't worry
I'm sittin' on top of the world
