Look down, look down  
Before you're gone  
Because when you leave here  
Can't come back any more

Oh, somebody gotta help you  
Baby, some sweet day  
Oh, somebody gotta help you  
When you're down in your selfish way

I ain't goin' to worry  
My life no more  
Say you're going to leave me  
Baby, there's the door

Oh, somebody gotta help you  
Baby, some sweet day  
Oh, somebody gotta help you  
When you're down in your selfish way

Now when you leave  
I hope you will stay  
I may meet you  
Down some lonesome right a-way

Oh, somebody gotta help you  
Baby, some sweet day  
Oh, somebody gotta help you  
When you're down in your selfish way

(fiddle & guitar)

You told all my neighbors  
And all my friends  
That I was a mistreater  
You wouldn't have me back again

Oh, somebody gotta help you  
Baby, some sweet day  
Oh, somebody gotta help you  
When you're down in your selfish way

Someday, someday  
When I will be goin'  
You will call for, Poor Walter  
But he won't be in your home

Oh, somebody gotta help you  
Baby, some sweet day  
Oh, somebody gotta help you  
When you're down in your selfish way.
