And that road goes on and on into the sunset.
And my destiny is bound to move me on.
Never find the one to satisfy my soul there.
Girl I want you but I just gotta go.
Girl I want you but I just gotta go.
Girl I want you, but I just gotta go yeah.
(music fades out and back in)

movin' on.
from town to town.
I'm alone,
on my own.
All my life,
When I been movin'.
Don't know why,
Just gotta go.
(guitar solo)

And that road goes on and on into the sunset.
And my destiny is bound to move me on.
Never find the one to satisfy my soul there.
Girl I want you but I just gotta go.

And that road goes on and on into the sunset.
And my destiny is bound to move me on.
Never find the one to satisfy my soul there.
Girl I want you but I just gotta go.

One day soon,
I'll stop my searchin'.
Find a girl,
hey and settle down.
but for now.
well i'm just movin'.
Lot's of places,
I haven't been.

And that road goes on and on into the sunset.
And my destiny is bound to move me on.
Never find the one to satisfy my soul there.
Girl I want you but I just gotta go.

Girl I want you but I just gotta go.
Girl I want you but I just gotta go oh.
