When the times, you here with me
We shared the laughter and tears
When the times, you stay with me,
The love starts, more deeply

Refrain 1:

But why?, change your mind
Even your heart, stopped beatin
Stopped beatin for me...

Chorus:

It's hard for me to accept the truth
That I'm your reservation.. ooohhh
It's hard for me to admit the truth
That I'm your reservation, only
Reservation... in your heart

2nd stanza:

When the times, you here with me
You realized, You still loved her
When the times, you stay with me
The love fades away for me...

Refrain 2:

But how can we do our pledge?
If your heart, isn't beatin
Isn't beatin for me...

(Repeat Chorus)

(Repeat Refrain1)

(Repeat Chorus)

Coda:

Only, reservation... in your heart
