(feat. Mary J. Blige)

Eh yo Mary, i need you to vibe wit me on this one, uh  
Uh

[Missy Elliot]

Check it  
As i grab my pad and pen and begin to talk from within  
Oh God im hot as the water like a preacher whos  
sinned  
Im only human but  
The world has put me on a platform since the day i was  
born  
To only wait for my downfall but like a brick wall im too  
hard to brake  
Ok i do make mistakes but im the realest from the fake  
That's why im the hardest to hate  
Aaliyah baby girl i've learned to love those while ther  
still awake  
Sleep Sleep  
And prepare a place for those who are good in the  
projects and hood  
Give to those who are misunderstood  
I know like Lisa, Pac and Biggie and Jay and Pun are still  
No1  
There will be more of us to come  
I am a leader a teacher i gotta, like a single parent  
provider  
Put in back those hip hop dividers  
Like a preist with a back slider  
I've sinned ut i win  
And anyone we've lost in life from 9-11  
We'll be sure to see again

[Mary J. Blige]

What you hear is not a test, im rockin to the beat [x2]  
See me and my crew, and my friends were gonna try to  
move our feet  
See i am Mary Blige and i'll like to say hello  
To the black to the white, the red and the brown, the

purple and yellow

First you gotta.....first you gotta
