People go head and drink up

Get in the club get fucked up

See me you got get lucked up

Someone to touch your rubber

Show me some love, strip off your clothes, and take off
your socks

[Missy]

The party's jumpin, I see something fine

Boy I wanna kiss you, but I'm just too shy

Let me dance with you, let me wear you out

Here's a glass of orange juice, let's go X it out

The music's bangin, way down in my soul

When you dance behind me, I lose all control

Make me grind my hips, make me move my waist

When the music comes on, you take my breath away
