[Missy:]

Yeah

A little slow jam

Kiss me Hold me

The weatherman says it's gonna be

Cold tonight

Whatever man

Whatever whatever whatever whatever whatever

Whatever man you wanna do

I'll be the pilot

Don't miss your flight

I'm stewardess of the plane

Feel the turbulence and maintain

Please refrain stay in your seats

Until we reach the game

I'm stewardess of the plane

Feel the turbulence and maintain

Please refrain stay in your seats

[Ginuwine:]

Take me higher

Let's just go for a little

Joy Ride

Whatever man

Whatever whatever whatever whatever

Let's stay

Buckled up

And let's make love

Across the friendly skies

I'm passenger of this plane

I feel the turbulence I maintain

I will refrain Stay in my seat

Till I reach the game

I'm passenger of this plane

I feel the turbulence I maintain  
I will refrain  
I stay in my seat

I want you (I want you)  
Baby, I want you (Baby you know I want)  
I really really wanna (fuck) you  
Sho nuff wanna (fuck) you

I want you  
Yes I do (I want you)  
Baby Baby, I want you  
(I know you know what I want)  
I really really wanna (fuck) you  
I really wanna (fuck) you  
Sho nuff wanna (fuck) you  
Sho nuff wanna

Is there anything that you want  
Is there anything that you need  
Call on me (Ginuwine)  
Call on me (Ginuwine)

Is there anything that you want  
Is there anything that you crave  
Call on me (Ginuwine)

Cuz I'm a passenger of your plane  
Yeah

[Electronic Voice:]

Missy fly with me  
Missy fly with me, fly with me Missy drive with me Missy
