Feat. Ginuwine)

[Missy:]

Yeah

A little slow jam

Kiss me Hold me

The weatherman says it's gonna be

Cold tonight

Whatever man

Whatever whatever whatever whatever whatever

Whatever man you wanna do

I'll be the pilot

Don't miss your flight

I'm stewardess of the plane

Feel the turbulence and maintain

Please refrain stay in your seats

Until we reach the game

I'm stewardess of the plane

Feel the turbulence and maintain

Please refrain stay in your seats

[Ginuwine:]

Take me higher

Joy Ride

Let's just go for a little

Whatever man

Let's stay

Buckled up

Whatever whatever whatever whatever

Across the friendly skies

And let's make love

I'm passenger of this plane

I feel the turbulence I maintain

I will refrain Stay in my seat

Till I reach the game

I'm passenger of this plane

I stay in my seat

I feel the turbulence I maintain

I will refrain

I want you (I want you)
Baby, I want you (Baby you know I want)
I really really wanna (fuck) you
Sho nuff wanna (fuck) you

I want you
Yes I do (I want you)
Baby Baby, I want you
(I know you know what I want)
I really wanna (fuck) you
I really really wanna (fuck) you
Sho nuff wanna
Sho nuff wanna (fuck) you

Is there anything that you want
Call on me (Ginuwine)
Is there anything that you need
Call on me (Ginuwine)

Is there anything that you want
Is there anything that you crave
Call on me (Ginuwine)

'cause I'm a passenger of your plane
Yeah

[Electronic Voice:]

Missy fly with me
Missy drive with me
Missy fly with me, fly with me
Missy drive with me, drive with me
