Look in my eyes
What do you see
only me
got nothing to hide
seek and you'll find
whats on my mind
this happened so fast
not a part of my plan
so im leaving my heart in your hands

Chorus:
havent told you just how much i love you
only by dreaming
i show my feelings
havent told you just how much i love you
time for revealing
and i will give you something too
a love from me to you

it happened so fast
not a part of my plan
now im leaving my heart in your hands
i feel you
everday i breath you
every single moment from the start
i see you
constantly i feel you
you move me so
no letting go
you smile at me
my heart is your s to keep

Move back to top for chorus

Have i told you baby
oooh i love you baby
i show my feeings
and i will give you something too
a love from me to you
