Early one morning while you were asleep  
I received a letter but there was no addressee  
So I paid it no mind in fact,  
I wanted to send it back  
But something that I was feeling said open it.  
It said, "Dear Reader, once close friend of mine.  
I hope that this letter will find you in time.  
Cause your love is ending and my life just beginning  
With a woman that I know you hold dear to you."  
And it made me wanna say,

Chorus:

I don't ever wanna see you again.  
But I stuck by you 'til the end.  
My conscience is clear and I can move on from here.  
But I wish I can say the same for you, baby.  
I don't ever wanna see you again.  
Tell me why did it have to be my best friend?  
You were messing round with him,  
I didn't wanna notice it.  
I was true to my love for you.

It took me a minute to wake up and see  
What the love of my life was doing to me.  
I wanted to lay down and die  
Cuz my pride wouldn't let me cry.  
Somehow I knew I had to get over it.  
He said he couldn't understand until he felt your  
touch.  
Now he could see why I love you so much.  
And that's so unfair I never thought I'd have to share  
Your love that I thought was given to only me  
And that's why...

Chorus

I don't ever wanna see you again.  
But I stuck by you 'til the end.  
My conscience is clear and I can move on from here.  
But I wish I can say the same for you, baby.  
I don't ever wanna see you again.  
Tell me why did it have to be my best friend?  
You were messing round with him,

I didn't wanna notice it.  
I was true to my love for you.

Baby say you love me (and you said you loved me,  
baby).  
Love must have been blind cause I sure didn't see  
this one coming  
(I once was blind, but now I see)  
My best friend, huh? They say keep the ones you love  
close.  
And your enemies even closer,  
But I can't win for losing (you wanna close this thing to  
me, baby)  
Cause the one I thought was a friend to me  
Ended up to be my true enemy  
Listen to me baby,  
I gave you everything.  
My love and my ring  
And you why you leaving me?  
Now I don't wanna see you again!

I don't ever wanna see you again.  
But I stuck by you 'til the end.  
My conscience is clear and I can move on from here.  
But I wish I can say the same for you, baby.  
I don't ever wanna see you again.  
Tell me why did it have to be my best friend?  
You were messing round wit him,  
I didn't wanna notice it.  
I was true to my love for you.

I don't ever wanna see you again.  
But I stuck by you 'til the end.  
My conscience is clear and I can move on from here.  
But I wish I can say the same for you, baby.  
I don't ever wanna see you again.  
Tell me why did it have to be my best friend?  
You were messing round wit him,  
I didn't wanna notice it.  
I was true to my love for you.

I don't ever wanna see you again.  
But I stuck by you 'til the end.  
My conscience is clear and I can move on from here.  
But I wish I can say the same for you, baby.  
I don't ever wanna see you again.  
Tell me why did it have to be my best friend?  
You were messing round wit him,  
I didn't wanna notice it.  
I was true to my love for you.
