Baby I get so many people telling
Me they seen you up in
The mall
Are they mistaking
All up on some chick
As though I don't exist
What is this
Why they all in my business
It's just 2 ridiculous
I can't get no sleep
They just keep warning me
Should I believe it
They say I don't need it
Don't they know I made up my mind
my mind
Hounding me. 2 many people say you're faking me
They ask what have you done lately
They say we won't last so they're predicting
That it's over, it's over
Too many girls they dislike me
Since I got you
They wanna fight me
Cause I'm the chick walking around
With the ring
Tell me why these hoes don't even like me

Why they all up in my business
It's just 2 ridiculous
I can't get no sleep
They just keep warning me
Should I believe it
They say I don't need it
Don't they know I made up my mind
Up my mind

Oh boy it's all the love that you're giving
They mad cause love is what they're missing
That's why they stay up in our business
