2005!!

There will be no room for ya'll wit no originality
WOOOOOOOOO

(Verse 1)

You're the reason i don't trust no one
And i don't love no one
From the places i've come
Sad songs i've sung
All the times i've been stung
For you bring the worst out of me
(HOLLA!)
And i can't down these tears i've cried
The emptyness inside
Left me so petrified
Tried ta keep love alive
But i became too tired
'cause you bring the worst out of me

(Eh, eh, eh, ehehay)

(Refrain)

I wish i could change the way things have gone
And start life you and i maybe once again
I don't know anywhere but sumthin must've went wrong
And all i can say.....

(Chorus)

Is when i sing this song
I get so teary eyed
'cause you get under my skin
Can't let you suck me dry
I was supposed marry you, have kids for you,
Stay true to you, live life wit you
But look what you've done to me (meeeeeeee)

(Verse 2)

And I compromised all my time
And rearranged my life
To make sure you was fine
'cause our love was on the line
And i became so unkind

'cause you brought the worst out of me
(You brought the worst out of me)
This is (this is) how the story goes
For all Those ones who know
When it's out of control
You work (work)and you work (work)
And sumone gets hurt
And i guess thatd be me.....

(When I sing)
When i sing this song
I get so teary eyed
'cause you get under my skin
Can't let you suck me dry
I was supposed marry you, have kids for you,
Stay true to you, live life wit you
But look what you've done to me (meeeeeeee)

(Eh, eh, eh, ehehay)

(Refrain)
I wish i coulda changed the way things have gone
And start life you and i maybe once again
I don't know anywhere but sumthin must've went wrong
And all i can say.....

(When I sing)
Is when i sing this song

'cause you get under my skin
