[Lil' Kim]

Yo, this the Queen Bee
And I came to say a lil' sumpin'
On my girl Missy's shit
You see I got sumpin' to say
That's right, I got a problem
I got a problem with all y'all mutha' fuckas out there
That got a problem wit' us callin' ourselves a bitch
Yeah, that's right, I said it mutha' fucka
BITCH, what

You see, bitch is a strong word
And only strong bitches can use that mutha' fuckin'
terminology
Bitch
I mean, if you can't wear the name
Don't try to use it, shucks

[Missy]

Throw your hands up if you like to get high
To make a phat beat so we can party all night
If you got beef you got to take it outside
Throw your wrists up and let me see your eyes shine

Throw your hands up if you like to get high
To make a phat beat so we can party all night
If you got beef you got to take it outside
Throw your wrists up and let me see your eyes shine

Throw your hands up if you like to get high
To make a phat beat so we can party all night
If you got beef you got to take it outside
Throw your wrists up and let me see your eyes shine
