Missy Elliot
" Ugly "

Hey boy, I dont mean to be rude
But the way you comin on
Made me catch an attitude

You wanna know, 'What the deal?'
And whats up with your grill
Cuz you ugly so please
Stop talkin junk in my ear

[Chorus]

Turn the lights off
Turn the lights off
Yea you ugly
But wooooooooo!
Theres some hoes in here

Turn the lights off
Turn the lights off
Boy you ugly
So wooooooooo!
Wont you dissappear

Sorry, to hurt your beliefs
Cuz boy you think you
Are so appealing

You keep steppin to me
But we will never be
Cuz you ugly, so there
Will be no conversating

[Chorus]

Turn the lights off
Turn the lights off
Yea you ugly
But wooooooooo!
Theres some hoes in here

Turn the lights off
Turn the lights off
Boy you ugly
So wooooooooo!
Wont you dissappear

When the lights off
Boy you look real good
Wanna give you my number
But something tell me 'dont do it'

When the lights come on
And I see your face up close
Damn you ugly as hell
And on top of that
You broke as a joke

How dare you walk up
On me like you supa fine
As long as you stuck in here
You know every chick is mine
Aint no way
You gon take me home

Awww you ugly!

Boy what done hit your face
It musta been a can of mase
I aint got nottin to say
Just 2 words out there
Oil of Olay

Boy just gimme some space
Ugly is not a very good case
That outfit is just a waste
Cuz it aint doin jack for your face

Thats why girls runnin away
Like roaches when they hit raid
It might be foul to say
But its foul for you to look that way

And now I dont want your cheddar
I dont care what you say, whatever
Cuz me and you will never be
Damn, you so ugly

You sure is ugly!
Awwwwww you ugly!

Now Tina on the mic
A match ugly
When I spit first nights

Boy you make me wanna
Breed and ???
So I cant even envision
Gettin numbers you give

Yea baby lets politic
Did your momma let you out like this?
I know you wanna do me baby
Man, but i'm kinda into cuties lately

Matter a fact homeboy
Lemme hook you up
Heres 2 bucks
Go and get your fade inched up

Dont mistake my statement
For a clown
We can keep it on the downlow
??? and no

Maaaaan, you ugly!

[Chorus]

Turn the lights off
Turn the lights off
Yea you ugly
But wooooooooo!
Theres some hoes in here

Turn the lights off
Turn the lights off
Boy you ugly
So wooooooooo!
Wont you dissappear
