It don't matter where you from it's where you at  
& if you came to freak-a-leak you better bring your hat  
East coast, west coast, down south  
Represent your coast

Pull up to the club in a rental car  
Where the freaks at  
Them freaks at the bar  
Where the hard the hard drinks are  
Don't start  
You don't want beef  
Don't take it that far  
With a superstar  
I got my foot on the clutch  
See me bounce my butt

& I don't give a f\*\*\*
