Ooh, I don't want, I don't need
I can't stand no minute man, I don't want no minute
man
Ooh, here's your chance, be a man
Take my hand understand, I don't want no minute man

Boy I'ma make you love me, make you want me
And I'ma give you some attention, tonight
Now follow my intuitions, what you're wishin'
See I'ma keep you up all night for a long time
Just start countin' the ways

Break me off, show me what you got
'Cause I don't want no one minute man
Break me off, show me what you got
'Cause I don't want no one minute man

Break me off, show me what you got
'Cause I don't want no one minute man
Break me off, show me what you got
'Cause I don't want no

Tonight I'ma give it to you, throw it to you
I want you to come prepared, oh yeah
(Oh yes)
Boy it's been a long time, a crazy long time
And I don't want no minute man and that's real
Give it to me some more

Break me off, show me what you got
'Cause I don't want no one minute man
Break me off, show me what you got
'Cause I don't want no one minute man

Break me off, show me what you got
'Cause I don't want no one minute man
Break me off, show me what you got
(Fifty grand I get this on one take, Hova)
'Cause I don't want no

Look, I'm not tryin' to give you love and affection
I'm tryin' to give you sixty seconds of perfection

I'm tryin' to give you cab fare and directions
Get your independent ass out of here, question

I'm not your man, not Ralph Tresvant
Not Ronnie Romance, no ma
I'm tryin' to hit you then put you in the middle of the
round
Like I'm Roberto Duran, no mas

Six a.m. another chick in the house
(Put your hands up)
6:15 another chick kicked you out
(Put your hands up)
Spend one minute tryin' to dig her out
The other fourteen tryin' to put it in her mouth

The dick too chubby, too much'll make you love me
Now be a nice wifey and run home to your hubby
'Cause we, both knowin' what we doin' is wrong
Don't forget to put your ring back on

Ooh, I don't want I don't need
I can't stand no minute man, I don't want no minute
man
Ooh, here's your chance be a man
Take my hand understand, I don't want no minute man

Break me off, show me what you got
'Cause I don't want no one minute man
B-b-break me off, show me what you got
'Cause I don't want no one minute man

Break me off, show me what you got
'Cause I don't want no one minute man
B-b-break me off, break, break me off
Break, break me off show me what you got

Break me off, show me what you got
Break me off, show me what you got
B-b-break me off, show me what you got
Break me off, break, break me off
