This is another Missy Elliot exclusive

I remember when yo ass was broke  
So in love with me  
You were always at home  
Always talkin' 'bout  
"Loan me this, loan me that, now gimme gimme"

And then ya got doe  
And decide ya wanna leave  
Gotta few chicks checkin' for ya now, huh  
You forgot about me  
Ain't it funny?

When ya man gets money  
I bet you can't find him  
But when he come home beggin'  
You can't deny him

Where he at when you need him  
He's out lookin' cute  
But when he need a few dollars  
He knows where to run to

We would go out  
I had to pay for everything  
I never had to worry about you fuckin' 'round  
You used to tell me "Yea I love ya, no one above ya"

Then I bought you clothes  
I made ya look like a king  
Then the girls started flirtin' with ya ass, huh  
And you forgot about me  
Ain't it funny?

When ya man gets money  
I bet you can't find him  
But when he come home beggin'  
You can't deny him

Where he at when you need him  
He's out lookin' cute

But when he need a few dollars  
He knows where to run to

I'll be the one you runnin' to  
When yo pockets is low  
And you out of cash flow  
And the chicks don't want you no more

I'll be the one you runnin' to  
When you got no more gas  
In those buses, catchin' cabs  
And the chicks don't see you no more

When ya man gets money  
I bet you can't find him  
But when he come home beggin'  
You can't deny him

Where he at when you need him  
But when he need a few dollars  
He knows where to run to
