**(feat. 702, Magoo)**

*[Timbaland]*

Say what, say what?

Say what, say what?

Say what, say what?

Missy, bring it in

*[Missy]*

Why you played on me?

Wasn't I good enough for you?

(Wasn't I good enough)

All those other girls you've been with

Can't do like I do (Do, do)

Gave you all my dough

When you needed it all the time

And if you planning on leavin' me again

Then give me a sign

(Say what, say what)

*[702]*

*[1]* - Beep me 911

Or call me on my cell phone

I'll call you back

To see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Beep me 911

Or call me on my cell phone

I'll call you back

To see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

*[Missy]*

Why you cheatin' on me?

Can you tell me what I've done

I thought you was the one  
But you just a hit and run  
Gave up clubs and parties  
I put them aside  
(I stopped going to all the parties)  
Left me in the dark with no kind of sign  
(Why don't you give me a sign)

*[Repeat 1]*

All my friends say  
I can do better than you  
(Say what, say what)  
Maybe they was right

Cuz I feel like a fool  
(Fool, fool)  
But I can't let you go  
Until you take some time  
To tell me why you left me without  
A God damn sign  
(Say what, say what)

*[Repeat 1]*

*[Timbaland]*

Magoo, Magoo

*[Magoo]*

Type of nigga' made built to last  
Look homegirl I pump like gas wind  
Get ya friend and ya girl and them  
My sex drive workout like a gym can  
Was the girl that I used to hit  
You the girl that I got to quit  
See the kitty cat  
Gotta gold it like a light  
In the night you the freak I'm out wit  
Don't bite  
No diggity, who took you out  
No doubt when I first got down  
Made the bro' shout  
Look out, make it live  
Dip and dive, stayin' alive  
Shoot me sugar, there it is  
Now we talkin' square biz  
I'm leaving you without a reas(on)  
What I steal, but a kiss  
What you think, I'm hen pecked?  
Girl, get yo mind checked  
Take the time, recollect

I just gave you disrespect

*[Timberland]*

Ahh Like that? Like that?

Beep me 911 baby

Uh huh, uh huh

Uh huh, uh huh

Uh huh, uh huh

Uh huh, uh huh

Say what? Say what?

Misdemeanor, 702

What cha'all gonna do fellas?

Don't beep them 911

Don't beep them 911

Don't beep them 911
