Missy Elliott

When I rap I'll be shakin 'em
Every song that I write dj beggin 'em
So u say that I'm wack, u be playin 'em
Got fararis and cribs and y'all hated 'em
Nothin to say to him
I out rated him and my flow for sure out dated him
Yes u wer number 1 coz u payin them
I'll be checkin the skate u skatin' 'em (who ya foolin
man)
Be conspicuous, how I ride in this thing is ridiculous
Me and Timothy y'all can't get rid of us
I got aspirin for when y'all get sick of us, down ur
asophigus
U ain't stoppin me, u all just watchin me like a

U all say y'all u ain't mad, but u just gotta be
Coz the dough that u spend is funopoly(owww)
Fake spender

Hey Big Spender.....
.....spend a little time with meeeeeee

Life is fiction, I got a bad curse, an addiction(f you)
Scuse ma diction
If u screw with ma man i got big guns
I got good sence, now reach in your pocket, its full of
lint
Thats why y'all don't like me, its evident
Cause the rumours just spread, and they're
relevent(triiiicks)
With my third eye, u can't knock the game even if u try
U sleepin on me is a rock-a-by
Split additude, like they gemini, playa give me my
With the five mites
