Where you can send the flowers to  
The florist for Aaliyah  
I'll give you the phone number  
In case you need it  
OK Missy take of yourself  
I love you  
I love you bye bye

I been checkin' on your moms and dad (uh)  
And your brother since the day you left (left)  
Passed on and went away with God (uh)  
But for your momma it's been so damn hard  
I hate to even hear her cry (cry)  
Aaliyah she asked me why (why)  
Would her baby girl go this way (oh)  
Can you give me better words to say

One day she'll see you again  
With the same old beautiful smile  
Long hair and the voice of a hummingbird  
You'll be singing them same old songs  
Aaliyah can you hear me  
I hope that you're proud of me  
Me and Tim we been doing our thing  
But it's never been the same  
Since you had to go  
I aint never met a friend  
More incredible

Ohhhh.....  
I know you're in real good hands  
With God but damn I miss you  
Aaliyah if you see Left Eye (uh huh)  
Will you tell her  
Me and 'Boz miss her too  
'cause no one's gonna fill her space (uh uh)  
TC L not replaced  
Y'all the reasons we learned to love  
Love fly high wit' your 22 doves

One day we'll see her again  
With the same old beautiful smile  
Crazy but sexy cool  
She'll be rapping them same old songs  
Lisa can you hear me  
We hope that you're proud of us  
TLC has come along way  
But it's never been the same  
Since you had to go  
'cause the healing process will be long and slow

Yeah...  
Aaliyah I know you're in a safer place  
You're face to face with the creator and our maker  
And if you and Left Eye happen to chat  
Tell her me and Tionne we know she's much safer  
If you see Biggie smalls  
Up in the clouds  
Tell him he's still the illest emcee  
We had around  
2Pac there is only one  
Big Pun RIP  
We say one (one yeah yeah)

One day we will see yall again  
With the same old beautiful smiles  
All styles so many styles  
And yall be doing the same old things  
The last time we seen ya  
We hope yall can change the world  
Let them see how short life be  
It would never be the same since you had to go  
To the music world yall are incredible

Yeah yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah
