Why you got an attitude?  
Why you acting all foolish?  
When you see me out in the street boy  
You wanna embarass me, call me names  
Slap my face until  
Until you see my friends come, ooh  
Then you wanna try to console me, oh  
But they already know boy (They already know boy)  
Cause for the last week I've been in the house  
And I've cried and cried

Now you bring me flowers  
You say you got it together  
Soon as I let my guard down

In my grill till I call the cops then  
Then you wanna chill out and say

But, no, no it's you, you see (No, no, it's you, you see)  
Every time I go out  
You come grabbin' all over me
