The party is ending at 2 am... so whatever you must do... do it now!

Ching-ching, gettin' paid over here,
Ching-ching, gettin' paid over here, (this is...)
Thirsty, baby bring it over here, (a Missy Exclusive)
Thirsty, baby bring it over here,
See my money maker, do my money maker, (crazy baby)
See my money maker, do my money maker (serious man)
(Reversed) (let's go!)

M-I-S-E,
Missy be a freak,
Sex so good, I can freak you in my sleep,
Ice on my sleeve, I can make a room freeze,
Pockets more bigger than a stripper booty cheeks,
Dudes don't speak when they look at my physique,
French on my feet, cost about fifty,
I don't swing from a pole, Missy swing from a tree,
I'm Ahamed Ali, cause I can sting like a bee,
Whatchu know about that,
So cute and fat,
Let him hit it once, and watch the dude come back,
Cause the back so stacked, it's like sittin' on a jack,
Missy be a mack, that's a true fact

Ching-ching, gettin' paid over here,
Ching-ching, gettin' paid over here,
Thirsty, baby bring it over here,
Thirsty, baby bring it over here, (whatchu know about that)
See my money maker, do my money maker,
See my money maker, do my money maker
(Reversed)(I LIKE THIS)

Big things pop, little things stop,
If you talk a lot, in your mouth you get socked,
Miss don't flop, cause I'm a get the props, (come on)
House on the water, Aston Martin in the lot,
Look at my watch, cost a whole lot,

So iced out, you can't see it tick-tock,
Yeah I'm so hot, and I can't be topped,
Artist drop down like Michael Jackson socks,
Got the game locked, make your body rock,
If Missy ain't on it, then ya song don't knock,
You might get mopped like a floor,
So don't walk,
You don't need to spit, unless you live what you talk
(Let's go)

Ching-ching, gettin' paid over here,
Ching-ching, gettin' paid over here,
Thirsty, baby bring it over here,
Thirsty, baby bring it over here, (whatchu know about
that)
See my money maker, do my money maker,
See my money maker, do my money maker (serious
mannn)
(Reversed)

Missy switch it up, do ya damn thang,
Just like a chain, groupies wanna hang,
Talk that slang, gon' head and let it bang,
Make the hair stand like the hair on Don King,
Boom, boom, shing,
I shine like bling, bling,
Call me a queen, mean chicks stay in ya lane,
My flow so mean, if you know what I mean,
So fresh and clean, you can call me Irish Spring,
Whatchu know about that,
Talk like exlax, if ya game wack,
Then you ain't sayin' jack,
Just like that, ya, ya, to get axed,
Cause I got more hits than you can get out of a bat

Ching-ching, gettin' paid over here,
Ching-ching, gettin' paid over here, (crazy)
Thirsty, baby bring it over here,
Thirsty, baby bring it over here, (New MISSY)
See my money maker, do my money maker,
See my money maker, do my money maker
(Reversed)

See how the booty shake like an earthquake
There is no escape, when i shake it in your face
Now dont you wanna take my booty shake and you
taste
Take it to all your boys and see the look on their face
I move it to the left move it to the right
Double time double time, i show them what they like.
Look at it look at it

Slow motion freeze, stop for the camera, paparozzi
wanna see.CHEESE
Hello hey how you doing
Im shake it like this let me see it you can do it
Drop drop drop drop drop it on the warn
Shake shake shake shake shake faces on storm
If you you gotta gotta gotta move it kinda fast
The boys gunna dance when you try try to make it fast
This is thw way you work on the dirt,even if you like to
flirt
If this is gunna turn them out one little go go dancer
