*[Missy:]*

Yeah  
A little slow jam

Kiss me Hold me  
The weatherman says it's gonna be  
Cold tonight  
Whatever man  
Whatever whatever whatever whatever whatever  
Whatever man you wanna do  
I'll be the pilot  
Don't miss your flight

I'm stewardess of the plane  
Feel the turbulence and maintain  
Please refrain stay in your seats  
Until we reach the game

I'm stewardess of the plane  
Feel the turbulence and maintain  
Please refrain stay in your seats

*[Ginuwine:]*

Take me higher  
Let's just go for a little  
Joy Ride  
Whatever man  
Whatever whatever whatever whatever  
Let's stay  
Buckled up  
And let's make love  
Across the friendly skies

I'm passenger of this plane  
I feel the turbulence I maintain  
I will refrain Stay in my seat  
Till I reach the game  
I'm passenger of this plane

I feel the turbulence I maintain  
I will refrain  
I stay in my seat

I want you (I want you)  
Baby, I want you (Baby you know I want)  
I really really wanna (fuck) you  
Sho nuff wanna (fuck) you

I want you  
Yes I do (I want you)  
Baby Baby, I want you  
(I know you know what I want)  
I really really wanna (fuck) you  
I really wanna (fuck) you  
Sho nuff wanna (fuck) you  
Sho nuff wanna

Is there anything that you want  
Is there anything that you need  
Call on me (Ginuwine)  
Call on me (Ginuwine)

Is there anything that you want  
Is there anything that you crave  
Call on me (Ginuwine)

Cuz I'm a passenger of your plane  
Yeah

*[Electronic Voice:]*

Missy fly with me  
Missy fly with me, fly with me  
Missy drive with me  
Missy drive with me, drive with me
