I went in the classroom one morning
And I was shocked by brand new parents
I don't know there names I call them "Mr. and Mrs.
Huber"
I have no choice with everyone in the whole wide
universe
But how can this be happening when I started to make
a burst?

Chorus:

The huber parents as I can call them no longer
They're here but I don't care
When they are here I get so scared
But it doesn't matter if I am. If there's a problem
Maybe I can help but it will never work
I have a better idea let's go and leave them a smirk

There's a party going on out here no wonder you saw
This and you don't care 'cause your off and why baby
Tell me, I will never tell anyone. I never know when its
Time to go and you will never know 'cause I will never
see
You tomorrow afternoon (oh baby)

Chorus:

The huber parents as I can call them no longer
They are but I don't care
When they are here I get so scared
But it doesn't mater if I am. If there's
A problem maybe I can help and it will never work
I have a batter idea let's go and leave them a smirk

I-I-I have a better idea
You-u-u-u are never going to give it up
I-I-I have a better idea
Uh huh, uh huh, uh huh, uh huh (yeah)

(Fade Chorus)
