I pulls up in my stretch, I let my homegirls flex my 9-8
Close and closer they follow in my Limo, playin' CD's
Of when I used to heehee totally in my ass chicks
They sweat these beets, for any kinda jeeps, you know
how
I is, so freakin' hot that I siz, geewiz, get my clothes
taylored
Like I'm liz, miz, I'm comin' for your ass in a min,
seconds or hours
Everything I do seem to bloom like flowers, I cruise
these beets like
I'm drivin' Eddie Bauer, some of ya'll MC's mad I got
the power

I hit you with the pll pmm uhh
Take that, niggaz wanna step well um uhh take
That, what mmm uh uh take that
