(feat. Mike Jones)

[1:36 long skit precedes the actual song]

[Elliott] JoYYYYYYYYYYYYYYYY

[scratch] Oh-oh, oh-oh-oh, oh-oh-oh

[Elliott] JoYYYYYYYYYYYYYYYY

[Speak'n'Spell - vowel sounds]

[Elliott] JoYYYYYYYYYYYYYYYY

[scratch] Oh-oh, oh-oh-oh, oh-oh-oh - so sick!

[Elliott] JoYYYYYYYYYYYYYYYY

[scratch] Oh-oh, oh-oh-oh, oh-oh-oh

[Speak'n'Spell - vowel sounds]

[Missy]

Timbo, what they do

They try to be like Missy but they have no clue

On how I'm spittin over beats the way I move

I move so smooth in my shell toe shoes

Now put the needle on the record, show'n'prove

Since ninety-two I came to win and never lose

They try to stop a chubby chick from comin through

My belly out and sellin out these venues

My skills, will fulfill, those who drink booze

My attitude is super cool like I'm subdued

And those who fake I take on you and your dudes

I rule the streets I break 'em down with no tools

And Misdemeanor give the finger to y'all fools

(HOLLA!)

Whoever doubted that I'm 'bout it check the news

And if you snooze on me this year your ass will lose

Cause I will bruise, my loose screws is like ooh

When I come out get your release dates moved

[Chorus: Missy]

This year y'all gon' all lose sleep

I break 'em off somethin, break 'em off somethin

[scratched] This year y'all gon' all lose sleep

This year y'all gon' all lose sleep, when I

break 'em off somethin, break 'em off somethin (BIG SHOUT OUT TO TIMBERLAND)

This year you hear a real MC, when I

[slowed up] break break b-b-break break break...

[Missy]

I flow over a beat that make a chick weave blow
And those who try to compete to the wall I throw
So I drop it low, 808 kick low
Like oh oh-oh oh, oh oh-oh-oh, oh-oh-oh
Mr. Mos', this beat he compose
While I kill the track, leave your ears decomposed
Fake rappers, this year your lies will be exposed
Like oh oh-oh oh, oh Missy steal the show-ow-ow
Spit on breakbeats, make rappers lose sleep
Make labels unable drop they artists on leak
I keep 'em knee deep, need me, be me
Hardly, and basically, I do it nice and slow-ow-ow

[slowed]

I'm slowin, the track down, so you don't miss the shit
that Misdemeanor talkin like that chronic get you super
high

[Chorus: Missy + (Mike Jones)]

This year y'all gon' all lose sleep
I break 'em off somethin, break 'em off somethin
This year you hear a real MC
[scratch] Oh-oh, oh-oh-oh, oh-oh-oh
This year y'all gon' all lose sleep, when I (MIKE JONES!
WHO?)
break 'em off somethin, break 'em off somethin (MIKE
JONES! WHO? MIKE JONES!)
This year you hear a real MC (GEYEAH!)
Break 'em off somethin, break 'em off somethin

[Mike Jones]

See I'm a pimp that's on my grind, I hustle like all the
time
I speak what's on my mind, my teeth'll make you blind
My heat'll lay you down, whenever you come around
Forsaken out there mistreated your life'll be deleted
Cause I don't play dat, you know I don't play dat
Wherever you talkin noise is where you gon' lay at
I'm "Supa Dupa Fly" like Missy Missy
Before the fame majors used to diss me
But now I'm on top, I'm hot I can't stop
Before my deal came my shows was sold out
House been on the hill, diamonds been in my grill
I'm trill like U.G.K., you know I keep it real
I'm who, Mike Jones, WHO? Mike Jones
WHO? Mike Jones and I can't be cloned
2-8-1, 3-3-oh, 8-zero-zero-fo'
That's my cell phone number, hit me on the low

I got

[Missy]

Hold up, I see a lot of folks in here sittin 'round like
your shoes too tight

If you wear a size 10, don't cram yo' shit up in a size 6
ladies

Be proud of yo' big-ass feet

We came to party up in this bitch
