This Is A Tweet Exclusive

Uh Uh

Yea!

Timbo, Missy

Oooh ah TWEET!

Tweet:

You gotta run don't walk, it's really late (Ooh)

When you get off the train, meet me at the gate (Ooh)

You gotta push don't shove

Get it out of the way

Don't wait any longer, do it today

[Chorus:][Tweet & Timbaland]You can count on me

I'm gonna get it done, get it done

Before the night segues to day

Before the city wakes

Before the rooster shakes

Before the icing hits the cake

We gotta operate

You and you procrastination

Ooh,Ooh, Procrastination.

Ooh Ooh , Procrastination

Missy:

You gotta glide, don't slip

Get your balance right

Ride with the wind, it's a beautiful sight

You gotta skip, don't jump

The little bumps on the way

Don't let it get to you, don't listen to what they say

[Chorus:][Tweet & Timbaland]You can count on me

I'm gonna get it done, get it done

Before the night segues to day

Before the city wakes

Before the rooster shakes

Before the icing hits the cake

We gotta operate

You and you procrastination
Ooh,Ooh, Procrastination.
Ooh Ooh , Procrastination

Tweet:

You gotta squeeze, don't pull
Hold that grip steady
You know it's all lining up
You can never be ready
You gotta seek don't hide
Don't sit and wait
'Cause it may pass you by
And it'll be too late

[Chorus:][Tweet & Timbaland]You can count on me
I'm gonna get it done, get it done
Before the night segues to day
Before the city wakes
Before the rooster shakes
Before the icing hits the cake
We gotta operate
You and you procrastination
Ooh,Ooh, Procrastination.
Ooh Ooh , Procrastination

Hey hey! [3x]
