When I'm feeling lonley  
Sad as I can be  
All by myself  
In an uncharted island  
Or an endless sea  
What makes me happy  
Fills me up with glee  
Those bones in my jaw they don't have a flaw  
My shiny teeth and me  
My shiny teeth that twinkle  
Just like the stars in space  
My shiny teeth that sparkle  
Add beauty to my face  
My shiny teeth that glisten  
Just like a Christmas tree  
You know they'd walk a mile just to see me smile  
Woo!  
My shiny teeth and me  
(Shiny teeth, shiny teeth)  
Yes they're all so perfect  
So white and pearly  
Brush gargle rinse  
A couple breath mints  
My shiny teeth and me  
My shiny teeth so awesome  
(Shiny teeth, sh-shiny teeth)  
Just like a favorite song  
(Shiny teeth, sh-shiny teeth)  
My shiny teeth I floss them  
(Shiny teeth, sh-shiny teeth)  
So they'll grow to be real strong  
(He's got really shiny teeth)  
My shiny teeth I love them  
(Shiny teeth, sh-shiny teeth)  
And they all love me  
(Ahh...)  
But should I talk to you when I got 32  
Woo!  
My shiny teeth and me  
(Shiny teeth, shiny teeth)  
My shiny teeth and me

(Shiny teeth, shiny teeth)  
[musical bridge]  
My shiny teeth that twinkle  
(Shiny teeth, sh-shiny teeth)  
Just like the stars in space  
Shiny teeth, sh-shiny teeth)  
My shiny teeth that sparkle  
(Shiny teeth, sh-shiny teeth)  
Add beauty to my face  
(He's got really shiny teeth)  
My shiny teeth that glisten  
(Shiny teeth, sh-shiny teeth)  
Just like a Christmas tree  
(Ahh...)  
You know they'd walk a mile just to see me smile  
Woo!  
My shiny teeth and me  
(Shiny teeth, shiny teeth)  
My shiny teeth and me  
(Shiny teeth, shiny teeth)  
My shiny teeth and me!  
(Shiny teeth, shiny teeth)  
(Timmy)  
Yeah!
