My beats, are so (sooooo) addic-hictive

[Tweet] C'mon get krunk with me

*[Missy] See if you're ridin down the street
and you're bout to roll that shit up*

[Tweet] You don't need drugs or weed

*[Missy] Oh nah you ain't smokin that stank shit up in my
car*

Get your feet off my dashboard

[Tweet] C'mon get krunk with me

[Missy] Oh yeah you wanna get krunk though?

Well pop this CD in right here and take a hit of me

[singing] My album is so, addic-hictive

*[Missy] My album is so addictive [*echoes*]*
