Don't come around here you don't want no problems
This the kinda beat biters wanna borrow
Superman ain't even got these kinda powers
Make a hottest rapper rap sound wack and sour
?? like flowers got me ??
I can kick a freestyle all the way till tomorrow
Call me a chubby chick slim my narrow
Better aim for ya brains like a bow and arrow
Freshly dressed see me apparel
My dimonds come down like an April shower
Sing my raps like a Christmas carol
Tongue shoot bullets from a head of a barrel
I got a clean version for the kids ??
More controversy than a ??
Before you wanna battle better throw in ya towel
Not my goodies better go to Ciara

Swat
Swat dat fly
Go head and just swat
Swat dat fly
Go head and just swat
Swat dat fly
Go head and just swat
Swat dat fly

Yup just swat
Swat dat fly
Go head and just swat
Swat that that
Go head and just swat
Swat dat fly
Go head and just swat
Swat dat fly

I rock mics rhymes tight I just might

Change music ya'll fools ya'll lose sight
I make records and breakin' records while ya'll bite
Oh yeah you messin' wit the M to the I
My carousel so bright they make light
For no price you try Miss you lose life
This flight is first class I must fly
Lambos and ?? whips I gotta buy
Oh my my my I multiply
My dimonds come down like an April shower
Sing my raps like a Christmas carol
Tongue shoot bullets from a head of a barrel
I got a clean version for the kids ??
More controversy than a ??
Before you wanna battle better throw in ya towel
Not my goodies better go to Ciara

Swat
