[Missy Elliott]

I'm on that next sh*t
I'm on that next sh*t
You on that old sh*t
I'm on that next sh*t

[Verse 1: Missy Elliott]

I got a figure eight figure, lookin' more bigger
Never booty shots, ass look thicker, ass jack tripper
I dance like stripper, been hot since Billy Dee was
drinking malt liquor
I rock a beat like wooh, other chicks can boo like they at
the Apollo
I get it crazy for you baby, been rapping since y'all was
lil' babies
You better respect moi, voulez-vous coucher, yes moi
No I can't be stopped, might see me down the street in
a brand new car
Now if y'all ain't on this new sh*t right now
Now y'all gon' have to find a new beat, new beat?
Now y'all on this new sh*t right here, take your clothes
off in the VIP

[Chorus: Timbaland/Missy]

Take clothes off, take clothes off, oh
I take my clothes off, I take my clothes off, let's go
To the flo', take it off, to the flo', take it off
To the flo', take it off, to the flo', take it off

[Verse 2: Missy]

Allow me to reintroduce myself, my name Miss
Rocking like no one else,? I don't need y'all cause I'm
feeling myself
Haters y'all just be worried to death
Like a throw back, to the flow back
Return of the Mac, go 'head take my Kodak
I'm all that, ya ain't know that
You can't keep track if you had a low jack
Yeap, must of thought I was over
Been hot before Michael Jackson wore loafers? (say
what?)
Ya' was youngin, I was much older

Been rich before you even knew about Oprah
Before you knew about Oprah
Been rich before you knew about Oprah, haha, get it?
Been rich before you even knew about Oprah

Take clothes off
In the VIP, watch me take my clothes off
To the flo' now, go and take your clothes off
Hey, take your clothes off.
