Know just what to wear to make a nigga go dream  
Know just what to say to get the bling  
For others she won't but (Will for me)  
Come in and pay some of these (Bills for me)  
Not just standin' around lookin (Real pretty)

And where my Proda wearin' shorties who  
Claim they don't love you  
But anytime you want something done, they do

To bump these hot boys, let me get the Visa  
So I can Discover your MasterCard  
Let's cruise the beaches and then park the yacht  
At the dock at the beaches  
Don't stop, got nothin' but hot releases  
A thug by my side cause I need em'  
Forget any reason I give  
He'll stop a nigga from breathin' cause he lives for me  
Dedicated to Brat only  
That sexy smile, personality, my (Complexion) give a

Condom in the bra for (My protection)  
Tell ya at the end and begin it with Shawn  
What's my name (Brat)

And I can fuck all night till the break of dawn  
Lookin' for me, a thug that's ready to get it on  
I'm like an athletic down to sweat  
Cause he gotta get it  
Cut, split it and wet it, servin' me cause he love to get it  
And it tastes so good he'll never forget  
Believe me when I spit  
It's a party, move yo body, come on  
[Missy]  
1- Move your body, move to the music (Yeah)  
Grab somebody, keep it movin'  
Get up on the dance floor, shake your thang now  
Everybody in the club  
[ALL: That's what I'm lookin for]  
[Hook: Da Brat]  
2- Where my rollie wearin thugs who  
Claim they don't love you  
But anytime you want something done they do
