There goes the Hubers out and talkin'
The Hubers are in the house walkin'
The Hubers can't get it crakin'
And they keep on chatin' and keep on smakin' (echo)

Chorus:

1,2,3, hey yall it's me
The Hubers don't know what they see
The family has it going on
The hubers are gonna sing this song yo
It's about life it's about time
The huber family are gonna rock this house yo

The Hubers has a lot of it going on
In this house it's not as it can be
It's dirty and nasty but I don't care
The Hubers has a lot of it that's going
to scare us. Of course there's a lot of people
But the Hubers are never making a deal
The Hubers are gonna have a meal
The Hubers are out making a deal (echo)

Chorus 2:

1,2,3, hey yall it's me
The Hubers don't know what they see
The family has it going on
The Hubers are gonna sing this song yo
It's about life it's about time
The huber family are gonna rock this house yo

T-t-t-time to play
You kno-o-o-ow what to say
I-I-I-I don't care
You-u-u know what to do

(Choeus 2x)
