Yo this the Queen Bee  
And I came to say a little somethin'  
On my girl Missy shit  
You see I got somethin' to say  
That's right I got a problem  
I got a problem wit all ya'll muthafuckers out there  
That got a problem wit us calling ourselves a bitch

Yeah that's right I said it muthafucker bitch what  
You see bitch is a strong word  
And only strong bitches can use that muthafucken'  
terminology  
Bitch  
I mean if you can't wear the name  
Don't try to use it, shucks

Throw your hands up if you like to get high  
Make a phat beat so we can party all night  
If you got beef you gotta take it outside  
Throw your wrists up and lemme see your ice shine

Throw your hands up if you like to get high  
To make a phat beat so we can party all night  
If you got beef you gotta take it outside  
Throw your wrists up and lemme see your ice shine
