Damn

I'ma make you bounce bounce bounce so hard until you
break your head
I'ma keep it drunk, and drunk I'ma space for that
It's so hard hard hard that you barely fell it in your
chest
Mi-mi-Missy and I and I we we music beat
Ten years later watch the do do we reconnect
A hundred and twenty millions old soul and them
niggas bad
I bet you see how many niggas how they they can do
do that

Hook:

I say Missy and I going up, triple leader in our cup
Missy and I going up, triple leader in our cup
Missy and I going up, triple leader in our cup
Triple leader in our cup, triple leader in our cup
Missy and I going up, triple leader in our cup
Triple leader in our cup, triple leader in our cup
Missy and I going up, triple lead in our cup
Triple leader in our cup, triple leader in our cup

[Missy Elliott:]

I bet that one lead, two lead, in my cup margarita
Roll u[in my two seat I'm a pretty diva call me seniorita
Have you seen a new Medina I don't do grass but I'm a
mister Mina
I'm so fresh I front the cleaner triple threat rap dance
and I'm a singer
Get the finger, middle finger me to my let a new...
... bottle bingin he's like being in...
Timby and I throwin up, whatever we do here we blow
He so hot so popular, I told you we can't mess it up

Chorus:

Missy and I going up, triple leader in our cup
Missy and I going up, triple leader in our cup
Missy and I going up, triple leader in our cup
Triple leader in our cup, triple leader in our cup
Missy and I going up, triple leader in our cup

Triple leader in our cup, triple leader in our cup
Missy and I going up, triple lead in our cup
Triple leader in our cup, triple leader in our cup
Let's go!
Guess who back yet on the desk
I'm that chick, 'cause I'm a triple threat
Two fifty mill and who can top that
I slap who ever said I'm irrelevant
Got em pissed them man and I'm upset
Music there we make it resurrect
Watch our step you better com, e correct
If you go get such you're gonna lose your bed
Up the bed and tell me who's next
Nasty flow call it triple ass
Got my drink I'm sipping all that
I'll fake her that's a fake Rolex
Timmy and I throw it up, whatever we drink show up
blow up
See this leader in our cup
We VIP when we roll up

[Chorus:]

Yeah

Yeah

Check!

Now I'm in the 9th inning,

Thought I fell off, I ain't quite finish

Yeah I'm bout to put my foot in it

Talk with it, walk with it I'm no gim it yeah

2012 there'll be no games

Real rap, real bars, I'm not playin'

Haters all lane you are missing thing

I'm a beast and above I'm just sayin

Yeah I make em wanna get loud,

Duck with it, buck with it, let's go

Every time I spit around it's a sick flow

The new comers better seat back and take no, yeah

They say my time,

Here I come better run take what's mine

Bout to let off like it take nine

This rhyme gonna make and push re-whyne, yeah

Yeah I'm so hot, up on the charts number one spot

See me when I drop when I won't flop

This will never stop got the music get all loud

Wanna get served, you third you second but I come
first

Flip my verse like I flip burst

I'm fat, yes sir

We hitmakin, hitbreakin, partyshakin, innovative

Groundbreakin, so creative,

We be the most anticipated.

We hitmakin, hitbreakin, partyshakin, innovative
Groundbreakin, so creative,
We be the most anticipated
