I could lie to you baby
Oh, I could be so clever around you
I could steal from you easy
Oh, steal the treasures from under you
I could paint a pretty picture
Of my hundred rainy nights
Or I could paint myself into
A darkened corner and lie there
For once in my life I can say
That I need you so
I can't stand losin' you baby
No matter where I go, I keep holding on
Can't stand losin' you baby
In this world, I know, I keep holding on
Maybe I'm fightin' for what's already gone
For I can't stand losin' you
I could cry for you baby
Oh, cry me centuries over you
And maybe all the little things I never done
Well maybe that's all true
Somehow I still believe that you and I

Are gonna make it through
Oh, don't you know I will always
Run across the world to bring you the sun
(Can't stand losin' you baby)
No matter where I go, I keep holding on
Oh, (Can't stand losin' you baby)
In this world, I know, I keep holding on
Just a little closer baby, forever I know
No matter where I go, o-o
I can't stand losin' you baby
No matter where I go
You know I will keep holding on
I can't, I can't stand losin' you baby
In this world, I know, I'll keep holding on
Maybe I'm fighting for what's already gone
For I can't stand losin' you
(I can't stand)
Don't you know that I can't stand losin' you?
Losin' you
(I can't stand)

Losin' you.
