I am by your side
Give you strength
When you're lost inside
You can always count on me
I will never hide, you see

For I am by your side
Shelter from the coldest night
You can always run to me
I will be there
Can't you see, oh, no

And when the world
Has knocked you down
And you are trapped by your fears
They can never reach you
From high ground, oh, no

And I will never disappear
Turn the darkest corner
I'll be there
With every day
I'm calling out your name

And I am by your side
In this truth I will confide
You can always count on me
I will never hide, you see, oh, no

'Cause I will never disappear
Turn the darkest corner
I'll be there
With every day
I'm calling out your name

And I am by your side
Suddenly, I realize
I can always run to you
You will be there
It's true, I know

Oh, I am by your side

I am by your side, oh, oh

I am by your side
I said I am by your side
Oh, oh, oh

Well, I am by your side
I am by your side, oh
You can count on me
Ooh, you can

I am by your side
I am by your side, oh
You can count on me
Ooh, you can count on me now

I am by your side
I said I am by your side
Oh, oh, oh

I am by your side
I am by your side
I am by your side...
