Just a little more time is all we're askin' for
'Cause just a little more time could open closin' doors
Just a little uncertainty can bring you down
And nobody wants to know you now
And nobody wants to show you how

So if you're lost and on your own
You can never surrender
And if your path won't lead you home
You can never surrender

And when the night is cold and dark
You can see, you can see light
'Cause no one can take away your right
To fight and to never surrender

With a little perseverance you can get things done
Without the blind adherence that has conquered some
And nobody wants to know you now
And nobody wants to show you how
So if you're lost and on your own
You can never surrender
And if your path won't lead you home
You can never surrender

And when the night is cold and dark
You can see, you can see light
'Cause no one can take away your right
To fight and to never surrender, to never surrender

And when the night is cold and dark
You can see, you can see light
And no one can take away your right
To fight and to never surrender, to never surrender

Oh, time is all we're askin' for to never surrender
Oh, you can never surrender
And time is all we're askin' for
Stand your ground, never surrender
Oh, I said, "You never surrender"
