Johnny get up, yea, huh  
Johnny get up stand up, yea  
Broken-hearted story to tell  
A dream gone down in the wishing well  
Young man was suffering deep  
Lucky, lucky, lucky wouldn't shine  
Called her up one day  
So damn sorry out this way  
Seen or heard something new from her yet?  
"No son, what you go and do this time?"  
It's gonna be like it's gonna be  
Cause it's gonna play like it's gonna play  
Count your blessings one by one  
Baby this time I'm playin' with  
Too much, time on my hands  
Saddest song in the band  
I don't really understand  
Why it's gonna rain on me again?  
Was I born with bad luck?  
My heart's been hit by a truck  
Troubled sky clears up  
I think it's gonna rain on me again  
Johnny get up yea, 'o Johnny stand up  
Been rainin' here too long  
Broken-hearted in this song?  
Oh baby in this song darlin  
In this song  
Drive your pain, like you drive a knife  
Cut edgy and dull through  
The corners of your life  
Pour me a drink, so I can pour out my heart  
(Lucky, lucky, lucky won't shine)  
It's Gonna be like it's gonna be  
Is it gonna stay like it's gonna stay  
Count your blessings one by one  
Cause mister this time you're playin' with  
Too much, time on my hands  
Saddest song in the band

I don't really understand  
Why it's gonna rain on me again?  
Baby, was I born with bad luck?

My heart's been hit by a truck  
Troubled sky clears up  
I think it's gonna rain on me again  
Since you walked out the door  
I'm fightin' a one-sided war  
I can't take it no more  
It's gonna rain on me again  
Johnny get up, stand up  
Johnny don't you ever give up  
Rainin' here too long  
Broken-hearted in this song?  
Oh baby in this song  
Oh darlin' in this song  
(Too much, time on my hands  
Saddest song in the band  
Gonna rain on me again  
Was he born with bad luck  
His hearts been hit by a truck  
Rain on me again)  
Since you walked out the door  
I'm fightin' a one-sided war  
I can't take it no more  
I think It's gonna rain on me again  
Too much, time on my hands  
Too much, time on my hands  
Oh no, no  
(Gonna rain on me again)  
Oh na, na, na  
(Gonna rain on me again)  
Oh yea  
(Rain on me again)  
Johnny get up yea  
Stand up, stand up, just get up  
Oh no  
Take a small journey away from the clouds  
Take a small journey away from the clouds  
Johnny what you need is some shelter beneath the  
quite sky  
Oh Johnny get up yea-ya  
(Rain on me again)  
(Na, na, na).
