Ah

She's everywhere in slow motion moving
Becoming talk of the air, we breathe
She's everywhere on the lips and the T-shirts
Of the shakers in Dharbar Square
Siam girls in phuket wanna-be like her
Boys can't forget androgyny she stirs
She's everywhere

The cabaret show going of the 20th century
(Believe it or leave it - love it or not
Cinderella-barbarella) you like it on top
?(goes the culture we wear)

[She's everywhere]

[She's everywhere]

She's everywhere in slow motion moving
Shocking sexuality
She's everywhere, creature of the culture

[No - the culture is the creature here]

Little girls with religion wanna-be like her
Little boys in submission transcend who they were
She's everywhere standing with arms akimbo
16 minutes of celebrity

(Believe it or leave it - love it or not)

(Provocation-innuendo, baby says hot)

?(goes the culture we wear)

[She's everywhere]

[She's everywhere]

Hear raptures playing on the radio
Now New York dilettantes are buying Ms. Kahlo
Sin and punishment manipulating my hand
Turn off the TV tell me who's in command, yea

Ah

She's everywhere I go

She's everywhere I go

She's everywhere I go

She's everywhere I go

(I go, I go, I go)

Forgive me baby, forget me not

[Forget me not]

Listen mister take your best shot

[Best shot]

I said believe it or leave it - love it or not

[Love it or not]
Fascination station - will the train ever stop?
(Oh the culture we wear)
Ah
This is the culture we wear
[She's everywhere]
Where I go now
[She's everywhere]
[She's everywhere]
Where I go now
[She's everywhere]
[She's everywhere]
Oh
[She's everywhere]
Oh no, no
[She's everywhere]
[She's everywhere].
