I'm a little tired
Pretty messed up tonight
I don't know where to begin
This ain't no delusion
Looking out from within
Some place that I've never been
But I know that I let you down
I know that I let you down
I keep writing letters
I keep waiting for your call
Don't even know where you are
Seasons are turning
Winter is coming on
(Where are the sunflowers now?)
That I promised I would grow
[Promised I would grow]
Swore that we would know
[We would grow]
Baby it's so hard changing the lines
When words fall like rain
[Fall like rain]
Baby it's so hard seeing the signs
[It's so hard]
Where nothing remains the same
[Remains the same]
It doesn't mean that we
Don't care no more
It doesn't mean the bleedings over
It doesn't mean that I'm not sorry
Nothing I could ever say
(Nothing I could ever do)
Will carry each other

Carry each other away
When we stood together
After all this time
Our lives so deeply entwined
(From the arc of the ocean)
(Sunflowers on the hill)
Love was what we both found
And we know there will always be
Know there will always be

Baby it's so hard changing the lines
When words fall like rain
[Fall like rain]
Baby it's so hard seeing the signs
[It's so hard]
Where nothing remains the same
Oh it's so hard living in pain
The angels forget your name
[Forget your name]
Oh it's so hard when you betray
The dream you most would save
[Baby it's so hard changing the lines]
Baby it's so hard changing the lines
When words fall like rain
[Fall like rain]
[Baby it's so hard]
Baby it's so hard seeing the signs
[Baby it's so hard]
Where nothing remains the same
[Baby it's so hard].
